6. On September 22, 2021, KCC also posted links to the electronic versions of the solicitation materials, including the Confirmation Hearing Notice, Plan, Disclosure Statement, Disclosure Statement Order, Cover Letter from the Debtors, Committee Recommendation Letter, and Non-Voting Status Notices on the public access website at www.kccllc.net/avianca.

7. On September 24, 2021 the Confirmation Hearing Notice was published in *The New York Times (National Edition)*, *USA Today*, *El Diario de Hoy*, *Diario de Comercio*, *Diario la República*, *El Tiempo*, and *La República*. Affidavits evidencing the publication of the Confirmation Hearing Notice were filed with the Court on October 8, 2021 [Docket Nos. 2195, 2196].

B. Voting and Tabulation Process

8. The Disclosure Statement Order established September 9, 2021 as the Voting Record Date. Pursuant to the Disclosure Statement Order, holders of Claims in Class 3 (Engine Loan Claims), Class 4 (Secured RCF Claims), Class 7 (Grupo Aval Lines of Credit Claims), Class 11 (General Unsecured Avianca Claims), and Class 15 (General Unsecured Convenience Claims) were entitled to vote to accept or reject the Plan. No other classes were entitled to vote on the Plan.

9. Pursuant to the Disclosure Statement Order, KCC relied on the Debtors' Schedules of Assets and Liabilities and the Claims information reflected in KCC's CaseView ("CaseView")³ to identify and solicit holders of Claims in the Voting Classes. The information

³ CaseView is KCC's claims management database, which stores the records and images associated with all scheduled and filed claims.

pertaining to the holders of Claims in Class 4 (Secured RCF Claims) was provided to KCC by counsel to the Secured RCF Agent.

10. KCC also relied on security position reports provided by The Depository Trust Company (“DTC”) as of the Voting Record Date to identify the bank and brokerage firms (the “Nominees”) that held Class 11 Claims on behalf of underlying beneficial owners who that entitled to vote to accept or reject the Plan.

11. Using the information outlined above, and with specific guidance from the Debtors’ advisors, KCC created a voting database reflecting the names and addresses of holders of Claims and Interests, the classification of Claims and Interests, and voting amounts in the Voting Classes. Specifically, using its CaseView system and voting database, KCC generated ballots for holders of Claims entitled to vote to accept or reject the Plan.

12. For the 2020 Notes Claims and 2023 Notes Claims in Class 11, KCC provided Solicitation Packages to the Nominees appearing on the security position report received from DTC (or the Nominees’ agents) for subsequent forwarding to the underlying beneficial owners of the 2020 Notes Claims and 2023 Notes Claims. KCC also provided a Master Ballot to each Nominee (or its agent) for their use in reporting the voting of the underlying beneficial owners.

13. The Disclosure Statement Order established October 15, 2021 at 4:00 p.m. (prevailing Eastern Time) as the deadline by which ballots for accepting or rejecting the Plan had to be actually received by KCC in order to be counted (the “Voting Deadline”), except to the extent such Voting Deadline was extended by the Debtors in writing in their sole discretion.

14. In accordance with the Disclosure Statement Order, KCC received and tabulated Ballots as follows: (a) each returned paper Ballot was opened and inspected at KCC’s office; (b) paper Ballots were date-stamped and scanned into KCC CaseView; (c) each electronic Ballot

was electronically received and processed; and (d) all Ballots received on or before the Voting Deadline were then entered into KCC CaseView and tabulated or, in the case of Class 11 Master Ballots, tabulated against the security position amounts appearing for each Nominee as listed on the security position reports received from DTC and tabulated in accordance with the Voting and Tabulation Procedures.

15. The final tabulation of votes cast by timely and properly completed ballots received by KCC is attached hereto as **Exhibit A**. The detailed ballot reports for the Voting Classes are attached hereto as **Exhibits A-1** through **A-6**.

16. In addition, in accordance with the Solicitation and Voting Procedures, KCC reviewed and tabulated the elections recorded on the opt-out forms received by the Voting Deadline from holders of Claims or Interests entitled to opt out of the Plan's Third-Party Release (or from the Nominees of such Holders). A report of any such holders that checked the opt-out box on their ballots or opt-out forms is attached hereto as **Exhibit B**. For the avoidance of doubt, this Certification does not certify the validity or enforceability of any opt-out elections received and reported on **Exhibit B** hereto, but rather this Certification is providing such information for reporting and informational purposes.

C. Ballots That Were Not Counted

17. Attached as **Exhibit C** to this Certification is a detailed report of any Ballots that were not included in the tabulation above because they did not satisfy the requirements for a valid Ballot as set forth in the Disclosure Statement Order.

D. Conclusion

18. To the best of my knowledge, information and belief, the foregoing information concerning the distribution, submission, and tabulation of Ballots in connection with the Plan is

true and correct. The Ballots received by KCC are stored at KCC's office and are available for inspection by or submission to this Court.
