

**GLOBAL NOTES AND
STATEMENT OF METHODOLOGY, LIMITATIONS,
AND DISCLAIMERS REGARDING THE DEBTOR'S SCHEDULES
OF ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS**

The Roman Catholic Bishop of Oakland, as debtor and debtor in possession in the above-captioned chapter 11 case (the "Debtor"), has filed Schedules of Assets and Liabilities (the "Schedules") and a Statement of Financial Affairs (the "Statement") with the United States Bankruptcy Court for the Northern District of California (the "Bankruptcy Court"). The Debtor, with the assistance of its legal and restructuring advisors, prepared the Schedules and Statement in accordance with section 521 of title 11 of the United States Code (the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure. These Schedules and Statement are unaudited.

These *Global Notes and Statement of Methodology, Limitations, and Disclaimers Regarding the Debtor's Schedules of Assets and Liabilities and Statement of Financial Affairs* (these "Global Notes") pertain to, are incorporated by reference in, and comprise an integral part of the Debtor's Schedules and Statement. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statement.

The Schedules and Statement have been signed by Paul Bongiovanni. Mr. Bongiovanni serves as the Debtor's Chief Financial Officer and is an authorized signatory of the Debtor. In reviewing and signing the Schedules and Statement, Mr. Bongiovanni has necessarily relied upon the efforts, statements, advice, and representations of personnel of the Debtor and the Debtor's legal and restructuring advisors. Given the scale of the Debtor's operations covered by the Schedules and Statement, Mr. Bongiovanni has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statement, including, but not limited to, statements and representations concerning amounts owed to creditors, classification of such amounts, and individual creditor address information.

In preparing the Schedules and Statement, the Debtor relied upon information derived from its books and records available at the time of such preparation. Although the Debtor has made reasonable efforts to ensure the accuracy and completeness of the Schedules and Statement, the discovery of conflicting, revised, or subsequent information may result in material changes to the Schedules and Statement. As a result, inadvertent errors or omissions may exist. Accordingly, the Debtor and its officers, agents, attorneys, and restructuring advisors do not guarantee or warrant the accuracy or completeness of the data provided in the Schedules and Statement and shall not be liable for any loss or injury arising out of, or caused in whole or in part by, the acts, errors, or omissions in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained in the Schedules and Statement.

For the avoidance of doubt, the Debtor and its agents, attorneys, and restructuring advisors hereby reserve all of their rights to amend, supplement, or otherwise modify the Schedules and Statement as may be necessary or appropriate, but expressly do not undertake any obligation to update, supplement, modify, revise, or re-categorize the information provided in the Schedules and Statement or to notify any third party should the information be updated, supplemented,

modified, revised, or re-categorized, except as required by applicable law or an order of the Bankruptcy Court.

In no event shall the Debtor or its officers, agents, attorneys, and restructuring advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtor or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtor or its officers, agents, attorneys, and restructuring advisors are advised of the possibility of such damages.

The Schedules and Statement may contain specific notes that supplement these Global Notes. That the Debtor has prepared Global Notes or specific notes with respect to certain of the Schedules and certain questions or parts of the Statement and not those of others should not be interpreted as a decision by the Debtor to exclude the applicability of such Global Notes or specific notes to any of the Debtor's other Schedules and questions or parts of the Statement, as applicable.

Disclosure of information in one or more Schedules, the Statement, or one or more exhibits or attachments to the Schedules and Statement, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statement, exhibits, or attachments.

Global Notes and Overview of Methodology

1. **Description of Case.** On May 8, 2023 (the "Petition Date"), the Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtor continues to operate and pursue its religious, charitable mission, and manage its properties and affairs as debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.
2. **Reservations and Limitations.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and a complete and accurate Statement. However, as noted above, inadvertent errors or omissions may exist. The Debtor reserves all rights to amend, supplement, or otherwise modify the Schedules and Statement from time to time, in all respects, as may be necessary or appropriate, but does not undertake any obligation to do so, except as required by applicable law. Nothing contained in the Schedules and Statement constitutes a waiver of any of the Debtor's rights or an admission of any kind with respect to this chapter 11 case, including, but not limited to, any claims against the Debtor, any defenses the Debtor may have, any rights or claims of the Debtor against any third party, or any issues involving equitable or structural subordination, or defenses or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable bankruptcy or non-bankruptcy laws related to the recovery of assets or the avoidance of transfers. Any specific reservation of rights contained elsewhere in these Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.
 - (a) **No Admission.** Nothing contained in the Schedules and Statement or these Global Notes is intended to be or should be construed as an admission or stipulation of the validity of any claim against the Debtor or any assertion made, or a waiver of the

Debtor's right to dispute any such claim or assert any cause of action or defense against any party.

- (b) **“As of” Information Date.** Asset values presented herein, except as expressly noted otherwise, represent the asset information of the Debtor's at net book value as of December 31, 2022, the final fiscal calendar year preceding the filing of this chapter 11 case. As of the Petition Date, the Debtor's fiscal year-end accounting close process was still in progress and potentially material forthcoming accounting entries and adjustments are not reflected in the Statement and Schedules. Further, any amounts ultimately realized from the Debtor's assets may vary from net book value (or whatever value was ascribed), and such variances may be material. Accordingly, the Debtor reserves all rights to amend or adjust the value of any asset set forth and described in the Schedules and Statement. Liability information presented herein, except as expressly noted otherwise, represents the outstanding value as of May 8, 2023. Furthermore, certain asset and liability amounts identified as “unknown”, “undetermined”, “disputed”, “contingent”, and/or “unliquidated” are included herein as \$0.00 values and, thus, the ultimate amount of total assets and liabilities may differ materially from the amounts stated in the Schedules and Statement and any respective total or subtotal amounts.
- (c) **Recharacterization and Classifications.** Notwithstanding that the Debtor has made reasonable efforts to correctly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statement, the Debtor nonetheless may have improperly characterized, classified, categorized, or designated certain items. The Debtor thus reserves all rights to recharacterize, reclassify, recategorize, alter the description of, re-designate, add, or delete items reported in the Schedules and Statement as is necessary and appropriate.

For the avoidance of doubt, listing (i) a claim on Schedule D as “secured”, (ii) a claim on Schedule E/F as “priority” or “unsecured”, or (iii) a contract or lease on Schedule G as “executory” or “unexpired” does not constitute an admission by the Debtor with respect to any legal rights associated with such claim, contract, or lease or a waiver of the Debtor's right to recharacterize or reclassify such claim, contract, or lease.

- (d) **Restricted Assets; Property Held for Others.** Because the official forms of the Schedules do not distinguish if an asset is unavailable to satisfy creditor claims, the Debtor has endeavored in these Global Notes and the accompanying Statement, wherever possible, to highlight property that would not be available for distribution to the Debtor's creditors as a result of the Debtor holding (a) property on behalf of others that work with the Debtor to advance the diocese's mission and ministries, and (b) property subject to donor restrictions that limit their use to specific purposes (such property, “Property Held for Others”). Accordingly, the Schedules and Statement provide creditors and other parties-in-interest more precise information as to the nature of assets available to satisfy creditors' claims. Property Held for

Others in the Debtor's bank accounts are described in more detail in the *Debtor's Motion for Interim and Final Orders Authorizing the Debtor to (I)(A) Continue Existing Cash Management System, (B) Honor Certain Prepetition Obligations Related to the Use Thereof, (C) Continue Intercompany Arrangements, (D) Maintain Existing Bank Accounts and Business Forms, and (E) Continue Use of Existing Credit Card Accounts; and (II) Waive Certain Requirements of 11 U.S.C. § 345(b)* [Docket No. 16] (the "Cash Management Motion"). In addition, the Debtor holds legal but not equitable title to other assets constituting Property Held for Others, including, without limitation, real property assets. The Debtor determined the best way to account for Property Held for Others, while at the same time providing meaningful disclosure, is to report Property Held for Others in response to question 21 of the Statement as assets held for another. While some of the Property Held for Others is not held in a formal trust structure, the Debtor believes reporting Property Held for Others on the Statement, rather than on Schedule A/B, is more appropriate given their inclusion on Schedule A/B would result in a significant overstatement of assets available for distribution to creditors. While the Debtor and its professionals have endeavored in good faith to bifurcate Property Held for Others in these disclosures, the review of the Debtor's records is ongoing and may reveal additional restrictions. Accordingly, failure to identify an asset as restricted in these Global Notes or the Schedules and Statement does not constitute an admission by the Debtor that such asset is available to satisfy creditor claims.

- (e) **Description of Claims.** Any failure to designate a claim or amount on the Schedules and Statement as "disputed", "contingent", or "unliquidated" does not constitute an admission by the Debtor such claim or amount is not "disputed", "contingent", or "unliquidated." The Debtor reserves all rights to dispute, or assert offsets or defenses to, any claim reflected on its Schedules and Statement on any grounds, including, without limitation, any defenses relating to amount, liability, priority, status, or classification, or to otherwise subsequently designate any claim as "disputed", "contingent", or "unliquidated" or object to the extent, validity, enforceability, priority, or avoidability of any claim. Moreover, listing a claim does not constitute an admission of liability by the Debtor. The Debtor reserves all rights to amend its Schedules and Statement as necessary and appropriate, including, but not limited to, with respect to claim descriptions and designations.
- (f) **Estimates and Assumptions.** The preparation of the Schedules and Statement required the Debtor to make certain estimates and assumptions with respect to the reported amounts, including, but not limited to, amounts of assets and liabilities, the amount of contingent assets and contingent prepetition liabilities on the date of filing the Schedules and Statement, and the reported amounts of revenues and expenses during the applicable reporting periods. Actual results could differ materially from such estimates. The Debtor reserves all rights to amend the Schedules and Statement to reflect changes in those estimates or assumptions.

- (g) **Causes of Action.** Despite reasonable efforts, the Debtor may not have identified and/or set forth all of its causes of action and similar rights, whether filed or potential (collectively, the “Causes of Action”), against third parties as assets in its Schedules and Statement, including, without limitation, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-bankruptcy laws related to the recovery of assets or avoidance of transfers. The Debtor reserves the right to amend its Schedules and Statement to add, delete, or otherwise modify any information relating to its Causes of Action.

The Debtor further reserves all of its rights with respect to all of its Causes of Action, including, without limitation, all rights relating to any: (i) controversy; (ii) right of setoff or recoupment; (iii) cross claim; (iv) counterclaim; (v) claim arising from a lease or contract; (vi) claim for the breach of any duty imposed by law or in equity; and (vii) demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever. The Debtor’s reservation of rights with respect to the Causes of Action remains applicable, regardless of whether such Causes of Action are known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertible directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other applicable theory of law. Neither the Global Notes nor the Schedules and Statement constitute a waiver of any claim or Cause of Action or, in any way, prejudice or impair the assertion of any claim or Cause of Action.

- (h) **Intellectual Property Rights.** Exclusion of any intellectual property should not be construed as an admission such intellectual property rights have been abandoned, terminated, or otherwise expired by their terms, or assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property should not be construed as an admission such intellectual property rights have not been abandoned, terminated, or otherwise expired by their terms, or assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction.

In addition, although the Debtor has made diligent efforts to list only its owned intellectual property, in certain instances, another entity may be the actual owner of certain intellectual property listed in the Schedules and Statement. The Debtor reserves all of its rights with respect to the legal status of its intellectual property rights.

- (i) **Executory Contracts and Unexpired Leases.** Although the Debtor has made reasonable efforts to identify the correct legal entities that are counterparties to each of the executory contracts and unexpired leases listed on the Schedules and Statement, in certain instances, the Debtor may have incorrectly identified parties, including incorrectly identifying itself as a party, to the executory contracts and unexpired leases. The Debtor reserves all of its rights with respect to the named

parties associated with its executory contracts and unexpired leases, including, without limitation, the right to amend Schedule G.

- (j) **Employee, Victim, and Minor Information.** Where applicable, the Debtor has redacted the identities and/or personal contact information of (a) non-public names of abuse claimants, potential abuse claimants, or those accused of committing or covering up abuse, (b) current and former employees of the Debtor, (c) workers' compensation claimants or minors in accordance with the *Interim Order Approving Debtor's Motion for an Order Authorizing and Approving Special Noticing and Confidentiality Procedures* [Docket No. 35].

Contemporaneously with the filing of these Schedules and Statement, the Debtor has provided the Office of the United States Trustee with unredacted copies of the Schedules and Statement. In addition, once appointed, the Debtor will provide unredacted copies to the official committee of unsecured creditors in this chapter 11 case.

- (k) **Insiders.** In the circumstance where the Schedules and Statement require information regarding "insiders", the Debtor has included information with respect to the individuals who the Debtor believes may be included in the definition of "insider" set forth in section 101(31) of the Bankruptcy Code during the relevant time periods. Such individuals may no longer serve in such capacities.

The individuals identified as "insiders" have been included for informational purposes only. The Debtor does not take any position and reserves all rights with respect to: (i) such person's influence over and/or ability to control the Debtor; (ii) the management responsibilities or functions of such individual; (iii) the decision making or corporate authority of such individual; or (iv) whether such individual could successfully argue that he or she is not an "insider" under applicable law or with respect to any theories of liability or for any other purpose. Further, the inclusion of a party as an "insider" is not an acknowledgment or concession such party is an "insider" under applicable bankruptcy law.

3. **Methodology.**

- (a) **Basis of Presentation.** The Schedules and Statement do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), nor are they intended to be fully reconciled to the financial statements of the Debtor. The Schedules and Statement contain unaudited information subject to further review and potential adjustment. The Schedules and Statement reflect the Debtor's reasonable efforts to report the assets and liabilities of the Debtor.
- (b) **Duplication.** Certain of the Debtor's assets, liabilities, and prepetition payments may properly be disclosed in response to multiple parts of the Statement and Schedules. To the extent these disclosures would be duplicative, the Debtor has determined to only list such assets, liabilities, and prepetition payments once.

- (c) **Net Book Value.** In certain instances, current market valuations for individual items of property and other assets are neither maintained by, nor readily available to, the Debtor. Accordingly, unless otherwise indicated, the Schedules and Statement reflect approximate net book values as of December 31, 2022. Market values may vary—at times materially—from net book values. The Debtor believes it would be an inefficient use of estate assets for the Debtor to obtain the current market values of its property and other assets. Accordingly, the Debtor has indicated in the Schedules and Statement the values of certain assets and liabilities are undetermined. Also, assets that have been fully depreciated or were expensed for accounting purposes are listed in the Schedules and Statement with a zero-dollar value, as such assets have no net book value. The omission of an asset from the Schedules and Statement does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of the Debtor with respect to such asset. Nothing in the Schedules and Statement shall be, or shall be deemed to be, an admission the Debtor was solvent or insolvent as of the Petition Date or at any other time.
- (d) **Property and Equipment.** Unless otherwise indicated, owned property and equipment are listed at net book value. The Debtor may possess and use equipment obtained from certain affiliated entities, and in some cases, third-party lessors. To the extent possible, any such leases are listed in the Schedules. Nothing in the Schedules is, or should be construed as, an admission as to the determination of the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtor reserves all rights with respect thereto.
- (e) **Allocation of Liabilities.** The Debtor allocated liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statement. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change. Accordingly, the Debtor reserves all rights to amend, supplement, or otherwise modify the Schedules and Statement as is necessary or appropriate.

The liabilities listed on the Schedules do not reflect an analysis of claims that may arise under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtor reserves all rights to dispute or challenge (i) the validity of any claims asserted under section 503(b)(9) of the Bankruptcy Code or (ii) the characterization of the structure of any such transaction or any document or instrument related to any creditor's claim.

- (f) **Undetermined Amounts.** The description of an amount as “undetermined”, “unknown”, or “unliquidated” is not intended to reflect upon the materiality of such amount.
- (g) **Unliquidated Amounts.** Amounts that could not be determined by the Debtor are scheduled as “unliquidated”.

- (h) **Totals.** All totals included in the Schedules and Statement represent totals of all known amounts. To the extent such totals include unknown or undetermined amounts, the actual total may be different than the listed total.
- (i) **Credits and Adjustments.** The claims of individual creditors for, among other things, goods, products, or services are listed as the amounts entered on the Debtor's books and records and may either (i) not reflect credits, allowances, or other adjustments due from such creditors to the Debtor or (ii) be net of accrued credits, allowances, or other adjustments actually owed by a creditor to the Debtor. The Debtor reserves all its rights with regard to such credits, allowances, or other adjustments, including, but not limited to, the right to amend, supplement, or otherwise modify the Schedules, assert claim objections and/or setoffs with respect to such credits, allowances, or other adjustments, or apply such credits, allowances, or other adjustments in the ordinary course of business on a postpetition basis.
- (j) **Claims of Affiliated Non-Debtor Catholic Entities.** Transactions, receivables, and payables among and between the Debtor and (i) its non-Debtor affiliated entities are reported on Statement 4 and Schedule A/B, respectively, in accordance with the Debtor's books and records. The listing of any amounts with respect to such transfers and receivables is not and should not be construed as an admission as to the validity of such receivables. For the avoidance of doubt, the Debtor reserves all rights, claims, and defenses in connection with any and all affiliated entity receivables and payables, including, but not limited to, with respect to the characterization of affiliated entity claims and loans. The Debtor takes no position in the Schedules and Statement as to whether any such amounts would be allowed as a claim, or not allowed at all. The listing of these amounts is not necessarily indicative of the ultimate recovery, if any, on any affiliated entity asset account. The Debtor reserves all rights to later change the amounts, characterization, classification, categorization or designation of affiliated non-Debtor entity accounts reported in the Schedules and Statement.
- (k) **Guarantees and Other Secondary Liability Claims.** The Debtor is not aware of any guarantees in its executory contracts, unexpired leases, and other such agreements. The Debtor may have inadvertently omitted guarantees embedded in its contractual agreements and may identify guarantees as it continues to review its books and records and contractual arrangements. The Debtor reserves its rights, but is not required, to amend, supplement, or otherwise modify the Schedules and Statement if any guarantees are identified.
- (l) **Excluded Assets and Liabilities.** The Debtor may have excluded certain categories of assets and liabilities from the Schedules and Statement, including, but not limited to, certain deferred charges, accounts, or reserves recorded only for purposes of complying with the requirements of GAAP; goodwill and other intangibles; deferred revenue accounts; and certain accrued liabilities including, but not limited to, accrued salaries and employee benefits. The Debtor also has not attempted to anticipate rejection damage claims of counterparties to executory

contracts and unexpired leases that may arise out of future contract or lease rejections. Other immaterial assets and liabilities may also have been excluded.

- (m) **Liens.** The inventories, property, and equipment listed in the Schedules and Statement are presented without consideration of any liens.
- (n) **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.

4. **Specific Disclosures with Respect to the Debtor's Schedules**

Schedules A/B

- (a) **Part 1.** Details with respect to the Debtor's cash management system and bank accounts are provided in the Cash Management Motion. Amounts identified in Item 2 of Part 1 reflect actual amounts in the respective accounts as of the Petition Date and may vary from the amounts currently reflected in the Debtor's books and records.

As described in the Cash Management Motion, there are a number of bank accounts in the Debtor's name that exclusively hold funds subject to donor restrictions or held in trust on behalf of others. These accounts are not listed in response to Item 3 of Part 1, and instead are listed as Property Held for Others on Schedule 21 of the Statement. While the Debtor and its professionals have endeavored in good faith to determine which accounts contain funds subject to donor restrictions or held in trust for the benefit of others, the review of the Debtor's records is ongoing and may reveal additional restrictions. Accordingly, inclusion of an account in response to Item 3 of Part 1 does not constitute an admission by the Debtor the funds held therein are available to satisfy creditor claims. The Debtor reserves all rights to re-categorize and/or re-characterize such accounts to the extent the Debtor determines such accounts were improperly listed.

Part 3. The Debtor's accounts receivable balances include amounts it treats as receivable from churches on account of Cathedraticum assessments on church offertory collections. Because churches are not obligated to pay under applicable law, the Debtor may not have a vested property interest in receivable amounts. Accordingly, the listing of any amounts with respect to such receivables is not and should not be construed as an admission as to the validity of such receivables.

Part 9. For the Debtor's owned real property, such owned real estate is reported at an undetermined value, because recent fair market value appraisals are not available or may be stale. The Debtor may have listed certain assets as real property when such assets are in fact personal property, or the Debtor may have listed certain assets as personal property when such assets are in fact real property. Buildings and land improvements are listed on Schedule A/B independent of whether the real property to which the building or land improvement is connected is Debtor-owned property. The Debtor reserves all of its rights to re-categorize and/or re-characterize such

asset holdings to the extent the Debtor determines such holdings were improperly listed.

- (b) **Part 10.** Because the Debtor does not attribute any book value for its donor or parishioner lists and other intellectual property, the Debtor has listed these assets with undetermined values.
- (c) **Part 11.** Notes receivable balance listed in Item 71 of Part 11 is as of April month end financial statements.

Schedule E/F

- (a) **Part 1.** The Court has authorized the Debtor, in its discretion, to pay certain liabilities that may be entitled to priority under the applicable provisions of the Bankruptcy Code. For example, the *Interim Order Authorizing The Debtor To (I) Pay Prepetition Wages, Salaries, Benefits And Other Related Items; (II) Reimburse Prepetition Employee Business Expenses; (III) Continue Employee Benefit Programs; And (IV) Pay All Costs And Expenses Incident To The Foregoing* [Docket No. 36], which authorized the Debtor to pay or honor certain prepetition obligations with respect to employee wages, salaries and other compensation, and similar benefits. To the extent such Claims have been paid or may be paid pursuant to further Court order, they may not be included on Part 1 of Schedule E/F.
- (b) **Part 2.** The Debtor has used reasonable efforts to report all non-priority general unsecured Claims against the Debtor on Part 2 of Schedule E/F based upon the Debtor's existing books and records as of the Petition Date. The Claims of individual creditors for, among other things, products, goods, or services are listed as either the lower of the amounts invoiced by such creditor or the amounts entered on the Debtor's books and records and may not reflect credits or allowances due from such creditors to the applicable Debtor. The Debtor reserves all of its rights with respect to any such credits and allowances, including the right to assert objections and/or setoffs with respect to the same. Part 2 does not include certain deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are, however, reflected on the Debtor's books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific Claims as of the Petition Date.

The Claims listed on Part 2 of Schedule E/F arose or were incurred on various dates. In certain instances, the date on which a Claim arose is an open issue of fact. Determining the date upon which each Claim on Part 2 was incurred or arose would be unduly burdensome and cost prohibitive. As a result, the Debtor has not listed a date for each Claim listed on Part 2.

Part 2 of Schedule E/F does not include obligations owed by third-party insurance companies on account of abuse-related liabilities, including, without limitation, defense costs due and owing to litigation defense counsel and related professionals.

5. **Specific Disclosures with Respect to the Debtor's Statement**

- (a) **Statement 1.** Statement 1 includes revenue for calendar years 2020, 2021 and 2022. Revenue for calendar year to date was not available at the time the statement was filed.
- (b) **Statement 3.** Statement 3 includes any disbursement or other transfer made by the Debtor except for those made to insiders (which payments appear in Statement 4), for gifts or charitable contributions (which payments appear in Statement 9), bankruptcy professionals (which payments appear in Statement 11), and regular employee compensation. Disbursements made on account of multiple invoices may be reflected as a single payment. For additional detail on the Debtor's cash management system, see the Cash Management Motion. All transfers in Part 2, Question 3 of the Statement are listed as of the payment date.
- (c) **Statement 4.** Fr. Lawrence D'Anjou splits his time and effort fulfilling responsibilities as both the pastor of St. Bonaventure Church in Concord and as the vicar general for the Roman Catholic Bishop of Oakland. On average, he splits that time and effort 50/50 between the two assignments. As a matter of administrative effectiveness and efficiency, St. Bonaventure Church pays Fr. D'Anjou's full salary as well as his full health and other benefits, then bills the Roman Catholic Bishop of Oakland central office for its 50% share/responsibility at the end of each month. Amounts listed in Statement 4 as payments to St. Bonaventure Church, are on account of this arrangement, and for the benefit of Fr. D'Anjou. This administrative arrangement is utilized similarly for other priests fulfilling pastor/parochial administrator assignments at other Diocesan churches while also serving in part-time positions at the central office.
- (d) **Statement 7.** Statement 7 lists only those legal disputes and administrative proceedings formally recognized by an administrative, judicial, or other adjudicative forum as of the Petition Date. It is the Debtor's understanding there is a backlog associated with the processing of abuse lawsuits in the Clerk's Office for Alameda County, and it is possible other timely filed claims will be processed after the Petition Date of which the Debtor is not currently aware. The Debtor has anonymized confidential matters in response to this question in accordance with the terms of the *Interim Order Approving Debtor's Motion for an Order Authorizing and Approving Special Noticing and Confidentiality Procedures* [Docket No. 35]. Additionally, any information listed in Statement 7 shall not be a binding admission of the Debtor's liabilities with respect to any of the suits and proceedings identified therein. The Debtor reserves all rights with respect to the suits and administrative proceedings listed in Statement 7, and any claims filed in relation to such suits and administrative proceedings.
- (e) **Statement 9.** Certain *de minimis*, non-cash gifts not reported or tracked centrally may have been excluded. Certain gifts included in this response were paid with funds given to the Debtor for the sole purposes of acting as a conduit to the recipient, and do not represent the transfer of Debtor assets.

- (f) **Statement 11.** All payments for services of the proposed retained professionals in the chapter 11 case made within one year immediately preceding the Petition Date are listed on the Debtor's response to Statement 11. Payments listed may relate to services other than debt consolidation or restructuring, seeking bankruptcy relief, or filing a bankruptcy case, but have nonetheless been included. Additional information regarding the Debtor's retention of professional service firms are or will be more fully described in applicable retention applications and related orders.
- (g) **Statement 21.** As set forth above, the Debtor has endeavored to highlight property that may be available to satisfy creditor claims while avoiding artificial overstatement of assets in the Schedules. As such, certain Property Held for Others has been listed in connection with Statement 21 and the exhibits filed in response thereto, as set forth more fully in such exhibits.
- (h) **Statements 22–24.** The Debtor made reasonable efforts to identify all applicable environmental information as required by Part 12. These efforts included reviewing the Debtor's environmental records and incorporating the historical knowledge of the Debtor's operations. As of the date hereof, the Debtor is not aware of notices, releases, or proceedings responsive to these statements.
- (i) **Statement 26.** Responses to this section consider the books, records, and financial statements of the Debtors' central services office, and do not contemplate each individual church's books, records, and financial statements.

Statement 30. Where applicable, the Debtor has included a comprehensive response to Statement 30 in Statement 4.
