# GLOBAL NOTES AND STATEMENTS OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING DEBTORS' SCHEDULES AND STATEMENTS

#### General

These global notes and statements of limitations, methodology, and disclaimers regarding the Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs (collectively, the "Global Notes") pertain to, are incorporated by reference in, and comprise an integral part of all of the Schedules and Statements. The Global Notes are in addition to the specific notes set forth below with respect to particular Schedules and Statements. These Global Notes should be referred to, and referenced in connection with, any review of the Schedules and Statements. In the event that the Schedules and Statements differ from the Global Notes, the Global Notes shall control.

The Schedules of Assets and Liabilities (collectively, the "Schedules") and the Statements of Financial Affairs (collectively, the "Statements" and, together with the Schedules, the "Schedules and Statements") filed by SpeedCast International Limited and its affiliates as debtors and debtors in possession (collectively, the "Debtors") in these jointly administered chapter 11 cases pending in the United States Bankruptcy Court for the Southern District of Texas (the "Bankruptcy Court") were prepared pursuant to section 521 of chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") by management of the Debtors, with the assistance of the Debtors' advisors, and are unaudited.

While the Debtors' management has made every reasonable effort to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances, based on information that was available to it at the time of preparation, subsequent information, or discovery may result in material changes to the Schedules and Statements, and inadvertent errors or omissions may have occurred. As the Schedules and Statements contain unaudited information, which is subject to further review, verification, and potential adjustment, there can be no assurance that the Schedules and Statements are complete. The Debtors reserve all rights to amend the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or otherwise assert offsets or defenses to any claim reflected in the Schedules and Statements as to amount, liability, or classification, or to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated." Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to these chapter 11 cases, including, but not limited to, issues involving substantive consolidation, equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers.

The Schedules and Statements have been signed by Peter Myers, the Chief Financial Officer of SpeedCast International Limited and authorized representative of all the Debtors. In reviewing and signing the Schedules and Statements, Mr. Myers necessarily relied upon the efforts, statements, and representations of the Debtors' other personnel and professionals. Mr. Myers has not (and could not have) personally verified the accuracy of each such statement and representation, including, for example, statements, and representations concerning amounts owed to creditors, classification of such amounts, and their addresses. The Debtors' management team and advisors have made reasonable efforts to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances; however, subsequent information or discovery may result in material changes to the Schedules or Statements and inadvertent errors, omissions, or inaccuracies may exist. Notwithstanding

# GLOBAL NOTES AND STATEMENTS OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING DEBTORS' SCHEDULES AND STATEMENTS

any such discovery, new information, or errors or omissions, the Debtors do not undertake any obligation or commitment to update the Schedules and Statements.

In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that was available at the time of preparation. The Debtors' accounting systems were primarily designed and used to manage their daily operations with a secondary focus on the creation of consolidated and consolidating financial statements. As such, certain assets, liabilities, or cash payments may, in limited circumstances, have been reported on one legal entity in the Schedules and Statements, while the beneficiary of the transaction may have been another Debtor or non-debtor, as applicable.

### **Description of the Cases**

On April 23, 2020 (the "<u>Petition Date</u>"), the Debtors filed voluntary petitions for relief under the Bankruptcy Code in the Bankruptcy Court. The chapter 11 cases have been consolidated for the purpose of joint administration under the case caption *In re SpeedCast International* Limited, *et al.*, Ch. 11 Case No. 20-32243 (MI). The Debtors continue to operate their business and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. Each Debtor's fiscal year ends on December 31<sup>st</sup>. All asset information, except where otherwise noted, is as of March 31, 2020. All liability information, except where otherwise noted, is as of the close of business on April 22, 2020. All bank account cash balances are as of the Petition Date.

# **Basis of Presentation**

For financial reporting purposes, prior to the Petition Date, the Debtors prepared consolidated financial statements which include financial information for the Debtors and certain non-debtor affiliates. SpeedCast International Limited would prepare consolidated financial statements in compliance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board and the Corporations Act 2001, and International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board.

The Schedules and Statements are unaudited and reflect the Debtors' reasonable efforts to report certain financial information of each Debtor on a stand-alone, unconsolidated basis. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Australian Accounting Standards or IFRS nor are they intended to be fully reconciled with the financial statements of each Debtor. Unlike the consolidated financial statements, the Schedules and Statements reflect the assets and liabilities of each separate Debtor, except where otherwise indicated. Information contained in the Schedules and Statements has been derived from the Debtors' books and records and historical financial statements.

Combining the assets and liabilities set forth in the Schedules and Statements of the Debtors would result in amounts that could be substantially different from financial information regarding SpeedCast International Limited and its subsidiaries that would be prepared on a consolidated basis under the various account standards previously described.

The Debtors have attempted to attribute the assets and liabilities, certain required financial information, and various cash disbursements to the proper Debtor entity. However, because the Debtors' accounting

# GLOBAL NOTES AND STATEMENTS OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING DEBTORS' SCHEDULES AND STATEMENTS

systems, policies, and practices were developed for consolidated reporting purposes, rather than by individual legal entity, it is possible that not all assets, liabilities or amounts of cash disbursements have been recorded with the correct legal entity on the Schedules and Statements. Accordingly, the Debtors reserve all rights to supplement and/or amend the Schedules and Statements in this regard.

The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment and reflects the Debtors' reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis.

Given, among other things, the uncertainty surrounding the valuation of certain assets and the valuation and nature of certain liabilities, a Debtor may report more assets than liabilities. Such report shall not constitute an admission that such Debtor was solvent on the Petition Date or at any time before or after the Petition Date. Likewise, a Debtor reporting more liabilities than assets shall not constitute an admission that such Debtor was insolvent on the Petition Date or any time prior to or after the Petition Date. The fair market value of real and personal property may vary materially from the net book value presented herein.

### **Amendment**

Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and/or supplement the Schedules and Statements from time to time as is necessary and appropriate.

# **Current Market Value and Net Book Value**

In many instances, current market valuations are neither maintained by nor readily ascertainable by the Debtors. The Debtors do not believe it would be an efficient use of estate assets to obtain current market valuations of the Debtors' property interests that are not maintained or readily ascertainable. Accordingly, unless otherwise indicated, the Schedules and Statements reflect the net book values as of March 31, 2020, rather than current market values of the Debtors' assets as of March 31, 2020, and may not reflect the net realizable value. For this reason, amounts realized may vary, potentially materially, from net book value. Additionally, the amount of certain assets and liabilities may be "undetermined," and, thus, ultimate assets and liabilities may differ materially from those stated in the Schedules and Statements. Accordingly, the Debtors reserve all of their rights to amend or adjust the value of each asset set forth herein.

### **Confidential or Sensitive Information**

There may be instances in which certain information in the Schedules and Statements has been redacted due to the nature of an agreement between a Debtor and a third party, concerns about the confidential or commercially sensitive nature of certain information, or concerns for the privacy of an individual. Any alterations will be limited to only what is necessary to protect the Debtor or third party and will provide interested parties with sufficient information to discern the nature of the listing.

# GLOBAL NOTES AND STATEMENTS OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING DEBTORS' SCHEDULES AND STATEMENTS

### **Specific Notes**

These Global Notes are in addition to the specific notes set forth in the Schedules and Statements of the individual Debtor entities. The fact that the Debtors have prepared a Global Note with respect to a particular Schedule or Statement and not as to others does not reflect and should not be interpreted as a decision by the Debtors to exclude the applicability of such Global Note to any or all of the Debtors' remaining Schedules or Statements, as appropriate. Disclosure of information in one Schedule, one Statement, or an exhibit or attachment to a Schedule or Statement, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, Statement, exhibit, or attachment.

# **Intercompany Claims and Transfers**

In the ordinary course of business, the Debtors and certain non-debtor affiliates engage in intercompany transactions ("Intercompany Transactions"). Intercompany Transactions are settled or repaid on an ongoing basis. To the extent that an entity incurs a payable in the course of any Intercompany Transaction, without settlement, an intercompany claim (an "Intercompany Claim") arises in favor of such entity. The Debtors track all Intercompany Transactions in their accounting system, which concurrently are recorded on the applicable Debtor's balance sheets.

Receivables and payables among the Debtors in these cases (each an "Intercompany Receivable" or "Intercompany Payable") are reported in the Schedules based upon the gross intercompany balances. To the extent that a Debtor owes an Intercompany Payable, it is reported on Schedule F as a liability of such Debtor. To the extent a Debtor has an Intercompany Receivable, it is reported on Schedule B as an asset of such Debtor.

Intercompany balances arise from several types of transactions, including accounts payable transfers, interest expense allocations, equipment transfers, and intercompany loan transfers, among others. In addition, the Debtors' books and records carry historical intercompany balances that arose from prior mergers and acquisitions. The balances listed on each Debtor's Schedules reflects the amounts recorded on its respective balance sheet as of April 30, 2020. It would be unduly burdensome and require significant resources for the Debtors to prepare intercompany balances as of the Petition Date. Approximately \$700K of Intercompany Payables have not been allocated to specific Debtors. In the ordinary course of business, the Debtors eliminate in consolidation intercompany balances on a semi-annual basis to comply with its financial statement reporting requirements. The Debtors are continuing to reconcile their intercompany balances and, as such, the balances shown on the Schedules are subject to change.

While the Debtors have used reasonable efforts to ensure that the proper intercompany balances are attributed to each legal entity, the Debtors reserve all of their rights with respect to the intercompany balances listed in the analysis, including, but not limited to, the appropriate characterization of such intercompany balances and the amounts of such balances, which are still being identified by the Debtors. The Debtors have not made any attempt to analyze the nature or composition of these intercompany balances.

The Debtors have listed all Intercompany Payables as unsecured nonpriority claims on Schedule F for each applicable Debtor, but reserve their rights, except as otherwise may be agreed to pursuant to a

# GLOBAL NOTES AND STATEMENTS OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING DEBTORS' SCHEDULES AND STATEMENTS

stipulation filed with the Bankruptcy Court, to later change the characterization, classification, categorization, or designation of such claims, including by designating all or any portion of the amounts listed as secured.

Additional information about the Debtors' intercompany transactions and related protocols is contained in the Cash Management Motion.

### Liabilities

The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtors reserve the right to amend the Schedules and Statements as they deem appropriate in this regard.

# **Excluded Assets and Liabilities**

The Debtors have excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statements, including employee benefit accruals, accrued accounts payable, and deferred gains. The Debtors also have excluded rejection damage claims of counterparties to executory contracts and unexpired leases that have been or may be rejected, to the extent such damage claims may exist. In addition, certain immaterial assets and liabilities may have been excluded. Pursuant to certain Bankruptcy Court orders, the Debtors have been granted authority to pay certain prepetition obligations to, among others, employees and taxing authorities. Accordingly, these liabilities may have been or may be satisfied in accordance with such orders and therefore may not be listed in the Schedules and Statements.

# **Payments**

The Debtors' asset and liability balances are impacted by the Debtors' cash management system as it is designed to (i) collect funds and pay financial obligations on an entity-by-entity basis and (ii) permit the Company to transfer excess cash between bank accounts on an as needed basis. In limited circumstances, however, an entity may make payments on behalf of another. Certain payments in the Schedules and Statements may have been made prepetition by one entity on behalf of another entity. The Debtors' intercompany accounts reflect the net position of both the receipts and disbursements received or made on behalf of other Debtors. For additional information about the Debtors' intercompany transactions and related protocols, see *Emergency Motion of Debtors for Interim and Final Orders (I) Authorizing Debtors to Continue Use of Their Existing Cash Management System, Including (A) Maintain Existing Bank Accounts, (B) Continue Intercompany Transactions, (C) Continue to Pay Bank Fees, (D) Continue Using Credit Cards; (II) Granting a Waiver of the Requirements of 11 U.S.C. § 345(b); and (III) Granting Related Relief [Docket No. 11] (the "Cash Management Motion").* 

# GLOBAL NOTES AND STATEMENTS OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING DEBTORS' SCHEDULES AND STATEMENTS

#### Insiders

The Debtors have attempted to include all payments made by a Debtor over the 12 months preceding the Petition Date to any creditor deemed an "insider." For the purposes of the Schedules and Statements, the Debtors defined "insiders" as such term is defined in section 101(31) of the Bankruptcy Code. The listing of a creditor as an "insider," however, is not intended to be nor should be construed as a legal characterization of such creditor as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Persons listed as insiders have been included for informational purposes only and the inclusion of them in the Schedules and Statements shall not constitute an admission that such persons are insiders for purposes of section 101(31) of the Bankruptcy Code. The Debtors do not take any position with respect to (i) such individual's influence over the control of the Debtors; (ii) the management responsibilities or functions of such individual; (iii) the decision making or corporate authority of such individual; or (iv) whether such individual could successfully argue that he or she is not an insider under applicable law, including, without limitation, federal securities laws, or with respect to any theories of liability or for any other purpose. As such, the Debtors reserve all rights to dispute whether someone identified is in fact an "insider" as defined in section 101(31) of the Bankruptcy Code.

## **Intellectual Property Rights**

Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated, or otherwise have not expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all intellectual property rights.

## **Causes of Action**

Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third parties as assets in their Schedules and Statements, including, but not limited to, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant non-bankruptcy laws to recover assets. The Debtors reserve all of their rights with respect to any claims, causes of action, or avoidance actions they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims, causes of actions, or avoidance actions or in any way prejudice or impair the assertion of such claims.

In addition to certain contingent claims and causes of action against various parties, the Debtors may also possess contingent and unliquidated claims against affiliated entities for various financial accommodations and similar benefits they have extended from time to time, including contingent and unliquidated claims for contribution, reimbursement and/or indemnification arising from, among other things, (i) letters of credit, (ii) notes payable and receivable, (iii) surety bonds, (iv) guaranties, (v)indemnities, and (vi) warranties.

# GLOBAL NOTES AND STATEMENTS OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING DEBTORS' SCHEDULES AND STATEMENTS

## **Claim Description**

Any failure to designate a claim in the Schedules and Statements as "contingent," "unliquidated," or "disputed" does not constitute an admission by the Debtors that such claim or amount is not "contingent," "unliquidated," or "disputed." The Debtors reserve all of their rights to dispute, or to assert offsets or defenses to, any claim reflected on their Schedules or Statements on any grounds, including, but not limited to, amount, liability, priority, status, or classification, or to otherwise subsequently designate any claim as "contingent," "unliquidated," or "disputed." Moreover, the Debtors reserve all of their rights to amend their Schedules and Statements as necessary and appropriate, including, but not limited to, with respect to claim description and designation.

### **Unliquidated Claim Amounts**

Claim amounts that could not be readily quantified by the Debtors are scheduled as "unliquidated."

## **Zero Dollar Amounts**

Amounts listed as zero are either \$0, unliquidated, or undetermined.

### **Undetermined Amounts**

The description of an amount as "undetermined" is not intended to reflect upon the materiality of such amount.

# Recharacterization

The Debtors have made reasonable efforts to correctly characterize, classify, categorize, and designate the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. However, due to the complexity and size of the Debtors' business, the Debtors may have improperly characterized, classified, categorized, or designated certain items. The Debtors thus reserve all of their rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as necessary or appropriate as additional information becomes available.

# Totals

All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the Schedules and Statements.

# **Estimates**

To prepare and file the Schedules on or around the Petition Date, management was required to make certain estimates and assumptions that affected the reported amounts of these assets and liabilities.

# **Currency**

Unless otherwise indicated, all amounts are reflected in U.S. dollars.

## Setoffs

The Debtors have not offset amounts listed on Schedules B, D, E, or F. Nonetheless, some amounts listed may have been affected by setoffs by third parties of which the Debtors are not yet aware. The Debtors reserve all rights to challenge any setoff and/or recoupment rights which may be asserted.

# UNITED STATES BANKRUPTY COURT SOUTHERN DISTRICT OF TEXAS

# GLOBAL NOTES AND STATEMENTS OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING DEBTORS' SCHEDULES AND STATEMENTS

# **Guaranties and Other Secondary Liability Claims**

The Debtors have made reasonable efforts to locate and identify guaranties and other secondary liability claims (collectively, "Guaranties") in each of the executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements to which any Debtor is a party. Where Guaranties have been identified, they have been included in the relevant Schedule for the Debtor or Debtors affected by such Guaranties. It is possible that certain Guaranties embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements may have been inadvertently omitted. The Debtors reserve their rights to amend the Schedules to the extent additional Guaranties are identified or such Guaranties are discovered to have expired or be unenforceable. In addition, the Debtors reserve the right to amend the Schedules and SOFAs and to recharacterize or reclassify any such contract or claim, whether by amending the Schedules and SOFAs or in another appropriate filing. Additionally, failure to list any Guaranties in the Schedules and SOFAs, including in any future amendments to the Schedules and SOFAs, shall not affect the enforceability of any Guaranties not listed.

# **Claims of Third-Party Related Entities**

While the Debtors have made every effort to properly classify each claim listed in the Schedules as being either disputed or undisputed, liquidated or unliquidated, and contingent or noncontingent, the Debtors have not been able to reconcile all payments made to certain third parties and their related entities on account of the Debtors' obligations to same.

### **Umbrella or Master Service Agreements**

Contracts listed in the Schedules and Statements may be umbrella or master service agreements that cover relationships with some or all of the Debtors. Where relevant, such agreements have been listed in the Schedules and Statements only of the Debtor that signed the original umbrella or master agreement. These master service agreements have been listed in Schedule G, but do not reflect any decision by the Debtor as to whether or not such agreements are executory in nature.

#### SCHEDULE SPECIFIC NOTES

For financial reporting purposes, prior to the Petition Date, the Debtors and certain non-Debtor affiliates ordinarily prepared consolidated financial statements that were audited annually. In addition, SpeedCast in the past has been subject to semi-annual external reporting requirements in accordance with Australian Corporations Law. Unlike the consolidated financial statements, the Schedules reflect the assets and liabilities of each Debtor on a nonconsolidated basis, except where otherwise indicated. Accordingly, the totals listed in the Schedules will likely differ, at times materially, from the consolidated financial reports prepared by the Debtors for financial reporting purposes or otherwise.

The Schedules do not purport to represent financial statements prepared in accordance with Australian Accounting Standards or IFRS, nor are they intended to be fully reconciled with the financial statements of each Debtor. Book values of assets prepared in accordance with the Company's various reporting standards generally do not reflect the current performance of the assets or the impact of the industry environment and may differ materially from the actual value and/or performance of the underlying assets. As such, the value listed in these Schedules and Statements cannot be, and was not, used to determine the enterprise valuation.

# Schedule A/B

**Part 2**: Certain prepaid or amortized assets are listed in Part 2 in accordance with the Debtors' books and records. The amounts listed in Part 2 do not necessarily reflect assets that the Debtors will be able to collect or realize. The amounts listed in Part 2 include, among other things, prepaid rent, prepaid IT maintenance and prepaid employee benefits.

The Debtors have numerous deposits with utility companies serving certain geographies with multiple facilities. The carrying value of the deposits, as reflected in each of the Debtors' records, are listed in Part 2.

The Debtors also maintain security deposits in connection with the Debtors' non-residential real property leases. These deposits are included in the Schedules for the appropriate legal entity.

Prepaid expenses primarily consist of cash in advance amounts paid to numerous vendors in connection with the Debtors' operations.

**Part 3: Accounts Receivable.** The Debtors' accounts receivable information includes receivables from the Debtors' customers, vendors, or third parties, which are calculated net of any doubtful debt provision that is calculated based on amounts that are difficult to collect from parties due to the passage of time or other circumstances. The accounts receivable balances in this section exclude intercompany receivables.

**Part 4: Investments.** Ownership interests in subsidiaries and affiliates primarily arise from common stock ownership or member or partnership interests. Any of the Debtors' ownership interests in subsidiaries, partnerships, and joint ventures are listed in Schedule A/B, Part 4 as undetermined amounts because the fair market value of such interests is dependent on numerous variables and factors and may differ significantly from the net book value.

#### SCHEDULE SPECIFIC NOTES

**Part 5:** Amounts presented as inventory receipts within twenty days of the Petition Date have not been reduced to reflect inventory received under cash in advance payment or payments made postpetition under certain First Day Orders. The amounts listed in Part 5 should not be interpreted as an estimate of outstanding section 503(b)(9) balances. Not all Debtors do physical inventory counts due to the nature of the business and the disparity of holdings, globally.

Part 7: Office furniture, fixtures, and equipment; and collectibles / Part 8: Machinery, equipment, and vehicles. Personal property owned by any of the Debtors is listed in the Schedule A/B for that individual Debtor. To the extent that the Debtors have not been able to identify the actual physical location of certain personal property, the Debtors have reported the address of that individual Debtor's principal place of business. Dollar amounts are presented net of accumulated depreciation and other adjustments.

Part 9: Real Property. The Debtors are continuing their review of all relevant documents and reserve the right to amend all Schedules as necessary, or otherwise recharacterize their interests in such real property at a later date. Further, due to the volume of the Debtors' property holdings, the Debtors may have listed certain assets as real property when such holdings are, in fact, in the nature of personal property holdings or executory contracts, or the Debtors may have listed certain assets as personal property assets when such holdings are, in fact, real property holdings. The Debtors reserve all of their rights, but shall not be required, to recategorize and/or recharacterize such asset holdings at a later time to the extent that the Debtors determine that such holdings were improperly listed. The Debtors' failure to list any rights in real property on Schedule A/B should not be construed as a waiver of any such rights that may exist, whether known or unknown at this time.

# Part 10: Intangibles and intellectual property.

Balances in Part 10 are as of December 31, 2019.

#### 1.1 Intangible assets

Intangible assets have been identified by the Group in the form of customer relationships, supplier contracts, trademarks and brand names, research and development and software.

Intangible assets acquired in a business combination are recognized at fair value at the acquisition date. They have a finite useful life and are carried at cost less accumulated amortization.

Development costs that are directly attributable to the design and testing of identifiable and unique products controlled by the Group are recognized as intangible assets when the following criteria are met:

- it is technically feasible to complete the project;
- management intends to complete the project and either use or sell it;
- there is an ability to use or sell the asset;

## **SCHEDULE SPECIFIC NOTES**

- it can be demonstrated how the asset will generate probable future economic benefit;
- adequate technical, financial and other resources to complete the development and to use or sell the software are available; and
- the expenditure attributable to the asset during its development can be reliably measured.

Directly attributable costs that are capitalized as part of the asset include employee costs and an appropriate portion of relevant overheads.

Research costs are expenses as incurred unless they are acquired through a business combination. Costs associated with maintaining intangible assets are recognized as an expense as incurred.

Amortization is calculated using the straight-line method over the expected life of the assets, as follows:

• Customer relationships 4 to 5 years

• Supplier contracts 5 years

• Trademarks and Brand names 4 to 20 years

• Software 1 to 7 years

Research and Development
 6 years

### 1.2 Goodwill

Goodwill arises on the acquisition of a business and represents the excess of the consideration transferred over the Group's interest in the net fair value of the identifiable assets, liabilities and contingent liabilities of the acquiree and the value of the non-controlling interest in the acquiree.

For the purpose of impairment testing, goodwill is allocated to cash-generating units or groups of cash-generating units that are expected to benefit from a business combination upon which goodwill arose. Each cash-generating unit or groups of units to which the goodwill is allocated represents the lowest level within the Group at which the goodwill is monitored for internal management purposes, being the operating segments.

Goodwill impairment reviews are undertaken annually or more frequently if events or changes in circumstances indicate a potential impairment. The carrying value of cash-generating units are compared to their recoverable amount, which is the higher of value in use and the fair value less costs to sell. Any impairment is taken first to goodwill and is recognized immediately as an expense and is not subsequently reversed.

### 2. Other comments

2.1 As stated under 1.1 above, intangible assets are typically capitalized in context with business combinations following a detailed assessments of fair values as part of the acquisition accounting process. The recognition of the resulting assets is not always performed on entity level where the assessment applies to the acquired operations for a group of entities overall. For the purpose of this

### SCHEDULE SPECIFIC NOTES

Part 10 some judgement had to be applied in allocating certain assets that were recognized on Group level to relevant entities of the Debtors Group.

- 2.2 In the past, Speedcast has been subject to semi-annual external reporting requirements under Australian Corporation Law. While proper guidelines and accounting procedures is followed for internal reporting requirements in the months in between the closing process does not in all respects compare with the hard close under the semi-annual procedures. As such, the information provided represents 31 December 2019 for both net book values and current values.
- 2.3 Intangibles resulting from business combinations are typically assessed for initial recognition by applying the following valuation methodologies:
  - Customer relationships
  - Supplier contracts
  - Trademarks and Brand names
  - Software
  - Research and Development

Exclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.

**Part 11: All other assets.** In the ordinary course of business, the Debtors may have accrued, or may subsequently accrue, certain rights to counterclaims, crossclaims, setoffs, refunds with their customers and suppliers, and potential warranty claims against their suppliers, among other claims. Additionally, certain of the Debtors may be party to pending litigation in which the Debtors have asserted, or may assert, claims as plaintiffs, or counter-claims and/or cross-claims as defendants.

Additional information regarding the Debtors' "Causes of Action" are set forth in the Global Notes above.

### **Schedule D**

The claims listed on Schedule D, as well as the guarantees of those claims listed on Schedule H, arose and were incurred on various dates. To the best of the Debtors' knowledge, all claims listed on Schedule D arose, or were incurred before the Petition Date.

The Debtors have not listed on Schedule D any parties whose claims may be secured through rights of setoff, deposits, or advance payments posted by, or on behalf of, the Debtors, or judgment or statutory lien rights. Various Debtors are borrowers, and certain of the other Debtors are guarantors, under prepetition secured funded debt obligations. Although there are numerous beneficial holders of such debt, only the administrative agents have been listed for purposes of Schedule D. The amounts under the Debtors' prepetition secured debt reflect approximate amounts as of the Petition Date.

#### SCHEDULE SPECIFIC NOTES

Except as otherwise agreed pursuant to a stipulation, agreed order, or general order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the extent, validity, priority, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any intercreditor or intercompany agreement related to such creditor's claim. In certain instances, a Debtor may be a co-obligor, co-mortgagor, or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities.

Certain of the Debtors' agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financing agreements. No attempt has been made to identify such agreements for purposes of Schedule D. However, the Debtors reserve all of their rights to amend Schedule D in the future to the extent the Debtors determine that any claims associated with such agreements are properly reported on Schedule D. The Debtors reserve all of their rights, claims, and causes of action with respect to claims associated with any contracts and agreements listed in Schedule G, including the right to dispute or challenge the characterization of the structure of any transaction, document, or instrument related to a creditor's claim, including to argue that an agreement listed in Schedule G may be treated as a secured financing agreement, rather than an executory contract or unexpired lease.

Except as specifically stated herein, real property lessors, equipment lessors, utility companies, and other parties which may hold security deposits or other security interests have not been listed on Schedule D. The Debtors have not investigated which of the claims may include such rights, and their population is currently unknown.

Nothing herein shall be construed as an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors' rights to recharacterize or reclassify such claim or contract. Some of the Debtors' creditors may have filed mechanic or materialman's liens following the commencement of the Debtors' chapter 11 cases. Some liens may, by virtue of section 546(b of the Bankruptcy Code and applicable law, relate back to the period prior to the Petition Date. Any such liens that have been filed after the Petition Date may not be listed on Schedule D. Descriptions provided on Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

# Schedule E/F, Creditors Holding Unsecured Priority Claims (Part 1

The claims listed in Schedule E/F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. Although commercially reasonable efforts have been made to identify the date of incurrence of each claim, determining the date upon which each claim in

### SCHEDULE SPECIFIC NOTES

Schedule E/F was incurred or arose would be an inefficient use of estate assets and, therefore, the Debtors do not list a date for each claim listed on Schedule E/F. To the best of the Debtors' knowledge, all claims listed on Part 1 arose or were incurred before the Petition Date.

Certain of the Claims of state and local taxing authorities set forth in Schedule E/F, ultimately may be deemed to be secured Claims pursuant to state or local laws. In addition, certain of the Claims owing to various taxing authorities to which the Debtors may be liable may be subject to ongoing audits. The Debtors reserve all of their rights to dispute or challenge whether Claims owing to various taxing authorities are entitled to priority. The listing of any claim on Schedule E/F does not constitute an admission by the Debtors that such claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtors reserve all of their rights to dispute the amount and/or the priority tatus of any claim on any basis at any time.

The Bankruptcy Court granted authority to the Debtors to pay certain obligations related to employee wages and benefits [Docket No. 115] and taxes [Docket No. 54]. Accordingly, the Debtors have paid many of these obligations, and intend to make additional payments in the future. To the extent that the Debtors believe a party's prepetition Claim has been or will be satisfied in full in the ordinary course of business pursuant to the First Day Orders, such Claims have not been included on Schedule E/F. Instead, Schedule E/F reflects only those parties' Claims where the Debtors do not have authority to make payment of the prepetition amounts owed, or where the claims are disputed or unliquidated.

# Schedule E/F, Creditors Holding Unsecured Nonpriority Claims (Part 2

The Debtors have used reasonable best efforts to list all general unsecured claims against the Debtors on Part 2 based upon the Debtors' existing books and records, including, but not limited to, trade creditors, landlords, utility companies, consultants, and other service providers. The Debtors, however, believe the possibility exists that there are instances where creditors have yet to provide proper invoices for prepetition goods or services. As a result of the Debtors' consolidated operations, however, Part 2 for each Debtor should be reviewed in these cases for a complete understanding of the unsecured claims against the Debtors. The amounts listed on Part 2 may not reflect any such right of setoff or recoupment, and the Debtors reserve all rights to assert the same and to dispute and challenge any setoff and/or recoupment rights that may be asserted against the Debtors by a creditor.

The Debtors reserve their right to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be perfected by a creditor listed on Schedule E/F of any Debtor. In addition, the Debtors reserve their right to dispute or challenge any priority asserted with respect to any liabilities listed on Schedule E/F.

The Debtors' accounting system tracks vendors using a number and unique name assigned to each vendor. Because many vendors service multiple business areas for the Debtors, there may be instances in which the same vendor has been assigned multiple vendor numbers and variations of the vendor's name. For purposes of Part 2, the Debtors have not aggregated all claims of such vendors with multiple vendor numbers and/or names. Rather, the Debtors have separately listed the claims of such vendors under each vendor number and name and should not be construed as giving rise to duplicate claims to a

#### **SCHEDULE SPECIFIC NOTES**

vendor for the same services or goods delivered to a Debtor. However, instances may exist where not all such claims have been identified and the Debtors may have separately listed potentially duplicative claims of such vendors under multiple vendor numbers.

Part 2 does not include certain deferred credits, deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are general estimates of liabilities and do not represent specific claims as of the Petition Date; however, such amounts are reflected on the Debtors' books and records. Such accruals are general estimates of liabilities and do not represent specific claims as of the Petition Date.

Part 2 does not include certain reserves for potential unliquidated contingencies that historically were carried on the Debtors' books as of the Petition Date; such reserves were for potential liabilities only and do not represent actual liabilities as of the Petition Date.

Part 2 contains information regarding potential and pending litigation involving the Debtors. In certain instances, the Debtor that is the subject of the litigation is unclear or undetermined. To the extent that litigation involving a particular Debtor has been identified, however, such information is contained in the Schedule for that Debtor.

Schedule E/F includes the aggregate net Intercompany Payables that may or may not result in allowed or enforceable claims by or against a given Debtor, and listing these payables is not an admission on the part of the Debtors that the intercompany claims are enforceable or collectible. The Intercompany Payables also may be subject to set off, recoupment, netting, or other adjustments made pursuant to intercompany policies and arrangements not reflected in the Schedules.

Schedule E/F reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption, or assumption and assignment, of an executory contract or unexpired lease. In addition, Schedule E/F does not include rejection damage claims of the counterparties to the executory contracts and unexpired leases that have been or may be rejected, to the extent such damage claims exist.

The Bankruptcy Court has authorized the Debtors to pay, in their discretion, certain non-priority unsecured claims pursuant to the First Day Orders. To the extent practical, each Debtor's Schedule E/F is intended to reflect the balance as of the Petition Date, adjusted for post-petition payments made under some or all of the First Day Orders. Each Debtor's Schedule E/F will reflect some of that Debtor's payment of certain claims pursuant to the First Day Orders, and, to the extent an unsecured claim has been paid or may be paid, it is possible such claim is not included on Schedule E/F. Certain Debtors may pay additional claims listed on Schedule E/F during these chapter 11 cases pursuant to the First Day Orders and other orders of the Bankruptcy Court and the Debtors reserve all of their rights to update Schedule E/F to reflect such payments or to modify the claims register to account for the satisfaction of such claims.

#### **SCHEDULE SPECIFIC NOTES**

### **Schedule G, Executory Contracts**

The Debtors' business is complex. While the Debtors' existing books, records, and financial systems have been relied upon to identify and schedule executory contracts at each of the Debtors, and although commercially reasonable efforts have been made to ensure the accuracy of Schedule G and the inclusion of all contracts, agreements, and leases on Schedule G, inadvertent errors, omissions, or overinclusion may have occurred. The Debtors do not make, and specifically disclaim, any representation or warranty as to the completeness or accuracy of the information set forth on Schedule G. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contract, agreement, or lease set forth in Schedule G, including whether such contract, agreement, or lease is executory, and to amend or supplement Schedule G as necessary. The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents.

The Debtors have approximately 950 employees in jurisdictions around the world. Because of the labor laws in a number of these jurisdictions, the Debtors have employment agreements with a majority of their employees globally. For the purposes of the Schedules and Statements, the Debtors have listed on Schedule G employment agreements with their executives and other U.S. employees with similarly structured employment contracts.

Schedule G may not reflect all intercompany agreements. Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon.

In some cases, the same supplier or provider appears multiple times in Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider.

Certain of the Agreements listed on Schedule G may have been entered into by or on behalf of more than one of the Debtors. Additionally, the specific Debtor obligor(s to certain of the Agreements could not be specifically ascertained in every circumstance. In such cases, the Debtors have made reasonable efforts to identify the correct Debtor's Schedule G on which to list the Agreement.

In the ordinary course of business, the Debtors may have issued numerous purchase orders for supplies, products, and related items which, to the extent that such purchase orders constitute executory contracts, are not listed individually on Schedule G. To the extent that goods were delivered under purchase orders prior to the Petition Date, vendors' claims with respect to such delivered goods are included on Schedule E/F.

### **SCHEDULE SPECIFIC NOTES**

As a general matter, certain of the Debtors' executory contracts and unexpired leases could be included in more than one category. In those instances, one category has been chosen to avoid duplication. Further, the designation of a category is not meant to be wholly inclusive or descriptive of the entirety of the rights or obligations represented by such contract.

The Debtors hereby reserve all of their rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument related to a creditor's claim, to dispute the validity, status, or enforceability of any contract, agreement, or lease set forth in Schedule G, and to amend the schedule as necessary.

## Schedule H, Codebtors

In the ordinary course of their business, the Debtors are involved in pending or threatened litigation and claims arising out of the conduct of their business. Some of these matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counterclaims against other parties. To the extent such claims are listed elsewhere in the Schedules of each applicable Debtor, they have not been set forth individually on Schedule H.

The Debtors are party to certain debt agreements which were executed by multiple Debtors and other subsidiaries or affiliates. The obligations of guarantors under prepetition secured credit agreements are noted on Schedule H for each individual Debtor.

The Debtors may not have identified certain guarantees that are embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements. Further, the Debtors believe that certain of the guarantees reflected on Schedule H may have expired or may no longer be enforceable. Thus, the Debtors reserve their right, but shall not be required, to amend the Schedules to the extent that additional guarantees are identified or such guarantees are discovered to have expired or be unenforceable.

No claim set forth on the Schedules and Statements of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other Debtors or non-Debtors. To the extent these Notes include notes specific to Schedules D-G, such Notes also apply to the co-Debtors listed in Schedule H. Although the Debtors have made every effort to ensure the accuracy of Schedule H, inadvertent errors, omissions, or inclusions may have occurred. The Debtors hereby reserve all rights to dispute the validity, status, and enforceability of any obligations set forth on Schedule H and to further amend or supplement such Schedule as necessary.

The Debtors further reserve all rights, claims, and causes of action with respect to the obligations listed on Schedule H, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument related to a creditor's claim. The listing of a contract, guarantee, or other obligation on Schedule H shall not be deemed an admission that such obligation is binding, valid, or enforceable.

# Schedule A/B: Assets - Real and Personal Property

12/15

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on Schedule G: Executory Contracts and Unexpired Leases (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.
